**The Al-Anon
Service
Center of
Tidewater
needs your
help.**

Would you be willing to be part of the ASCT Budget Committee? It is the time of year to work up a new budget for 2025. We work primarily by email—maybe a zoom or two if there are questions—and the Steering Committee approves the budget, so after you help put it together, you're DONE! The November steering committee will vote to approve, so our first draft needs to go out for discussion by October 1. If this is something you just can't live without being part of, email office@tidewaterasc.org and tell us you are ALL IN! (Do mention budget in there *somewhere*.)
